We would like to thank respected Mr. Dhanesh Gupta for giving us such a wonderful opportunity to expand our knowledge for our own branch and giving us guidelines to present a seminar report. It helped me a lot to realize what we study for

Secondly, we would like to thank our parents who partially helped me as I went through my work and helped to modify and eliminate some of the irrelevant or unnecessary stuffs

Next we would thank Notion for developing such a wonderful tool like Notion.it helped my work a lot to remain error free.

Last but clearly not the least: we would thank The Almighty for giving us strength to complete my report on time
